# PETROCHEM FZE

Welcome to **SUN Petrochem FZE**, a distinguished leader in the petrochemicals industry within Hamriyah. With an illustrious legacy of excellence and an unwavering dedication to innovation, we are steadfast in our mission to empower businesses in this thriving sector while fostering sustainable growth.

For over a decade, SUN Petrochem FZE has been at the forefront of the petrochemicals industry in Hamriyah Free Zone, pioneering a vision to revolutionize the production and utilization of petrochemical products in the region. Today, we proudly stand as a trusted name, renowned for our exceptional product quality, state-of-the-art facilities, and unyielding commitment to ensuring utmost customer satisfaction.

## OUR MISSION

Our mission at Sun Petrochem FZE is crystal clear – to be the foremost choice as a petrochemical partner in Sharjah. We relentlessly pursue this goal by unwaveringly delivering high-quality products, driving innovation, and wholeheartedly embracing environmentally responsible practices. But our mission goes beyond just industry leadership; it extends to elevating the entire sector, leaving a positive impact on the local economy, and contributing to the progress of our nation.

## OUR OBJECTIVE

Sun Petrochem FZE is committed to providing state-of-the-art facilities for the storage, processing of Petrochemicals, and Petroleum Products, as well as refining Used Engine Oil and blending various Petroleum products. Our primary objective is to establish a cutting-edge petroleum product processing facility with a capacity of 97,000 barrels per day. This ambitious project will be facilitated on a spacious plot covering 48000 CBM, ensuring efficient and sustainable operations to meet the evolving needs of our valued clients.
